

## ON CHRISTMAS EVE

It was Christmas eve. Father, Mother, and the children were gathered around the Christmas tree.

They eagerly opened their gifts. Father got a blue tie. Mother got a pink dress.

Jose got a battery-operated toy car.

Lita got a new book and a ball pen, and Mila received a walking doll. They were all very happy to see their gifts.

3. Draw the things each member of the family got. Put their names under their gifts.
4. Draw a square around the word which tells how they opened their gifts.
